- Candidates can apply for a maximum of **one** EADA scholarship.
- Scholarships and discounts do not stack; candidates who receive multiple awards will be automatically awarded the scholarship or discount with the highest value.
- Scholarships are subject to availability. Certain EADA scholarships that have all been awarded in previous deadlines may not be available in later deadlines.
- Meeting the eligibility criteria does not guarantee the award of a scholarship. Scholarships are competitive and limited in number and budget.
- EADA reserves the right to withdraw the scholarship with immediate effect in the event of serious misconduct, breach of EADA regulations or policies, submission of fraudulent or misleading information, disciplinary sanctions, withdrawal from the programme, or failure to comply with the student's financial obligations towards EADA, including the timely payment of any tuition fees or other amounts due.

Failure to enrol within the required deadline shall automatically result in forfeiture of the scholarship unless EADA expressly agrees otherwise.
